

The TLC Institutional Academy

Capability for legislatures, public institutions and organisations

Institutional Academy prospectus

Generated 27 October 2026 from current Academy records.

Current version: <https://academy.thelegislativecentre.com/institutions>

What we offer

- Private cohorts for your nominated staff, on dates that fit your calendar
- Curriculum adapted to your mandate, procedures and records
- Seat allocation and invitations, with CSV import for large groups
- Facilitation by experienced TLC faculty, online, in person or blended
- Practical, workplace-based assessment against published rubrics
- Verifiable certificates that state whether they evidence participation, completion or assessed competence
- Manager reporting on progress, attendance and completion, within the limits learners agree to
- Sponsored places and custom programmes

How an engagement runs

- Need: we understand the capability you want to build
- Proposal: scope, schedule, assessment and price
- Engagement: agreement and seat allocation
- Cohort: invitations and onboarding
- Learning: facilitated delivery and assessment
- Report: an organisational report on outcomes

Request institutional learning

Send a request at <https://academy.thelegislativecentre.com/institutions>. You receive a reference immediately, and an Academy officer contacts you within two working days.
